Letter No: 267 of the 6th August 1880, from the Deputy Commissioner of the Chitaldroog district, requesting instructions as to the levy of Toll on the same day on the same animal, and on Cows and She-buffaloes on the Harihar Bridge, and as to the right of the Toll Contractor to levy a local cess on the Toll.

Order No. 3321-2 Dated Bangalore 6th September 1880.
R. 601

Under the provisions of para 2 of the Chief Commissioner's Notification of the 4th November 1876, not more than one Toll is leviable on the same day and on the same animal or Carriage.

2. Cows and She-buffaloes must be considered to be included under the head of bullocks or buffaloes in the Schedule annexed to the Rules, and Sheep and Goats are expressly entered in the Schedule. The Contractor may be allowed to levy toll on the above, notwithstanding any omission of them in the Notification inviting the Contract, unless they have, by custom or

or Orders, heretofore expressly exempt from the levy of the Tolls on the Bridges under notice.

3. The levy of the Local Cess from the Contractor on the amount of the Contract in accordance with the terms of such Contract does not give him the right to add the Cess to the Toll, unless the same has been expressly stipulated for. The addition of the Cess to the Toll must greatly complicate the collections, and should not therefore be allowed. The Contractors in making their Tenders are expected so to regulate the amount, as to pay the Cess in addition, though they are not themselves allowed to collect it.
